Place your meat, poultry and cheese selection orders by 1st December 2021

This year, we would encourage you to place your order **as soon as** you know what you would like. Some of the turkey sizes have already sold out!

Meat & poultry and cheese selections will be available for delivery and uplift from the Farm Store from Tuesday 21st December 2021

We will allocate your cheeses, crackers, relishes, treats and puds and festive cupboard ingredients as they arrive from our suppliers. We would be delighted to deliver them once we have them in stock since we are short of storage space this year.

We would also really appreciate it if you can let us know if you won't need a delivery at any time over the festive period - it really helps our organisation in the office at this chaotic time!

- **Traditionally, we do bumper DOUBLE SIZED boxes on the week before Christmas.** This is designed to 1) provide enough for a scrumptious feast and 2) to keep you going on the week between Christmas and New year when we are closed. Please let us know if **you don't want** us to do this!
- Deliveries are being made on your usual delivery day on the run up to Christmas. Any potatoes you normally have on your order will be doubled too.
- The meat, game, turkeys and trimmings, & cheese selections will be delivered with your order on the Christmas week unless you have arranged something else with us.
- We are CLOSED for 7 days this year (from 12 noon on 24th December) and will be back to usual on 3rd January with deliveries starting that week, and the shop reopening on 5th January 2022.
- NB Any deliveries made without an accompanying veg box will incur a £5 delivery fee.

Delivery Schedule over Christmas & New Year

CHRISTMAS WEEK- commencing 20th December (double sized boxes):

- The Grow Wild business & office will close from noon on 24th December 2021 and re-open on 3rd January 2022

- SHOP REOPENS on Wednesday 5th January 2022
